

## Middletown Centre for Autism - Wraparound Sessions

These sessions are designed for teachers who are working with children and young people with autism and who have completed the SESS 'Introduction to Autism' seminar. Please note that each session detailed below is provided once in the five-week session and those interested must check specific dates on the ***Middletown Centre's website***. To secure a place on the listed session applications should be made directly to Middletown, using the on-line system.
