

Transition from Primary to Post-Primary for Students with Special Education Needs : Evening Seminar

Registration: 6:30 PM

Seminar begins : 6:45 PM

Seminar concludes : 9:00 PM

Summary Description

This seminar is designed to provide an outline of the challenges faced by students with special educational needs (SEN) in their transition from primary to post-primary school and to present suggestions and strategies that can be applied by schools in order to facilitate that transition.

Anticipated Outcomes

Participants will:

- Examine legislation, policy and indicators of good practice relevant to transition
- Explore the difficulties and challenges experienced by students with special educational needs during the transition process
- Consider activities and strategies which may ease transitional difficulties
- Investigate reading, resources and materials to assist in managing the transition process

Course Outline and Content

- Policy and legislative context
- Experiences of transition of students with special educational needs
- Challenges of transition
- The roles of parents, students and school staff
- Planning for transition at post-primary
- Strategies to support transition

Information for Applicants

This evening seminar is delivered in Education Centres. It is aimed at all teaching professionals within the primary and post-primary sector including class teachers, subject teachers, Special Education Teachers, Principals and Deputy Principals.
