Login to Co-Operative Teaching Course

Co-operative Teaching

In this course on Co-operative Teaching provided by SESS, you will learn to:

- list five models of co-teaching;
- identify key approaches of each co-teaching model;
- examine the benefits of co-teaching;
- plan more effectively for co-teaching;
- evaluate co-teaching in your school.

Dyslexia Course [*coming soon!*]

Dyslexia: How to identify it and What to do, by Dyslexia International

This free prototype online learning course by Dyslexia International is based on an original pilot version in French, authorised by the Ministry of Higher Education, Scientific Research and International Relations of the French-speaking Community of Belgium. Dyslexia International is a non-profit organisation which works with leading experts to create and promote tools and technologies that enable learners dyslexia to succeed.

Please be advised this section is currently under review.

■ *Disclaimer:*

As this course was not developed specifically for Irish teachers, and without input from SESS, some content and

Welcome to SESS eLearning

language may vary from that normally used in the Irish school context. Please click below to see those sections to which this especially applies.
