

Transition from Primary to Post-primary for Students with Special Educational Needs: Challenges for the Student and Strategies for the Teacher

- [Common to Primary and Post-primary](#) [1]

Summary

This seminar is designed to provide an outline of the challenges faced by students with special educational needs (SEN) in their transition from primary to post-primary school and to present suggestions and strategies that can be applied by schools in order to facilitate that transition.

Key Aims

The key aims of the seminar are:

- To introduce participants to legislation, policy and indicators of good practice that are relevant to transition
- To explore the difficulties and challenges experienced by students with special educational needs during the transition process
- To suggest activities and strategies which may ease transitional anxieties and difficulties concerns,
- To provide participants with information on further reading, resources and materials to assist them in the management of the transition process

Format of Event

This is a two-and-a-half hour seminar, from 7.00 to 9.30 PM, delivered in local Education Centres in the evenings. It is aimed at all teaching professionals within the primary and post-primary sectors including class teachers, subject teachers, resource/learning support teachers, Principals, etc.
