The SESS is developing this online book library on a pilot basis for teachers in order to support their continuing professional development in the learning and teaching of pupils with special educational needs.

Schools are required to pay an annual fee of €20 to register with the online library.

To register with the library:

- 1) The school principal submits a School Application Form to the SESS library by post along with a payment of €20.
- 2) Then, individual teachers from the school can apply for their own account by e-mailing library@sess.ie [2] for a Teacher Application Form, which can be returned to the library by e-mail.
