1. Sites listed here are external to the SESS website. SESS takes no responsibility for the content displayed on these sites.
2. To access a site, click on the link in the centre column.

Site Name	Link	Comments
AFASIC		This is a UK-based site dealing with all issues for people with speech, language and communication difficulties. It gives a good explanation of the different forms of speech and language impairment.
NICHCY factsheet		This is a useful factsheet on Speech & Language Disorder from the National Information Center for Children and Youth with Disabilities
American Speech Language Hearing Association		A sister site to the previous one, has good information on early identification of speech-language delays and disorders, and Q&A's on a number of related topics.
